

Stockton & Ione Railroad : Boxcar / Flatcar

Based on measurements taken from remains located in Dillon, NV and at Berlin-Icythosaur State Park, Berlin NV. Additional dimensions taken from description of a dump car built in Stockton by the S&I shops from the Sacramento Daily Union Vol. 47, No. 7296. August 18, 1874. At least one car was constructed as a boxcar.

1/4 inch = 1 foot
